OBJECTIVE

JUNIOR - FULL STACK DEVELOPER

JUNIOR - BACKEND DEVELOPER

JUNIOR - WEB DEVELOPER

SKILLS

On Ruby On Rails, HTML, CSS
JavaScript, and Java.

System Operations: Ubuntu,
Windows, and MacOS.

Helpdesk to respond and assist
with technical support for users.

I am studying Python and C++

EXPERIENCE

Blarney Stone Public Houses Limited AT the Goblet

2016-2022

Chef Assistant - I had a great experience outside Brazil while I was in college to gain my degree.

IT HELPDESK – AT SPACELINK COURSES

2012-2016

As a tech professional, I have been responsible for consulting, problem analysis, and providing effective solutions for clients.

In terms of leadership, I have coordinated a team of technical professionals and teachers, ensuring that lessons are effectively applied. I am also responsible for school relations, social media, and journalistic tasks, among other responsibilities.

SENIOR IT SUPPORT ANALYST – AT PETROBRAS S.A

2010-2012

As a Senior IT Support Analyst at Petrobras, my key responsibilities involved providing technical support to employees and resolving computer system problems.

I was able to identify and implement new technologies that improved the efficiency and effectiveness of the technical support team. As a leader in the department, I mentored and trained junior team members to help them develop their skills and improve their performance.

EDUCATION

FULL STACK DEVELOPMENT – BOOTCAMP 2023

Le Wagon Brazil

Successfully graduated from Le Wagon Brazil's Full Stack Development Bootcamp in 2023, a renowned program in web development education.

BSC IN COMPUTING SCIENCE LV 7 / 2021

Dorset College Dublin

The BSc in Science in Computing prepared me with specialized knowledge and skills to meet the future needs of the ICT industry. The course provided a solid technical foundation in software development, cybersecurity, and computer networks.

UNDERGRADUATE 2014

Estácio De Sá

I have gained knowledge and skills in software development and computer networks, but I have not yet completed the full course.
